

---

I. The SIU assigns a security risk level to each inmate who meets the security risk criteria. All SRG files are reviewed annually to determine if the SRG level should be adjusted, unless a specific review is requested by the Director of the Department of Corrections or any Assistant Director (see item III.J.). All SRG reviews have final approval of the Director of the Department of Corrections or the ADIO.

1. **Level I:**

- a. Recent escape(s) or escape attempt(s) from a secure facility, transportation, court, outside hospital, or other law enforcement agency(ies);
- b. Significant escape history;
- c. Reliable information and/or evidence of a recent planned escape;
- d. Recently found in possession of escape paraphernalia;
- e. Threat to public safety or institutional security because:
  - (1) The inmate is extremely assaultive and/or repeatedly demonstrates assaultive behavior;
  - (2) The inmate is a sexual predator;
  - (3) Severe management problem;
  - (4) The crime, inmate, or victim is notorious, or creates an exceptionally high level of media attention;
  - (5) Former criminal justice official, public official, or informant;
  - (6) The deceptive nature of the crime would increase the likelihood of retaliation from outside and/or inside the institution.

2. **Level II:**

- a. Former criminal justice official, public official, or identified informant.
